Sanitized - Approved For Release : CIA-RDP79-01009A002400100004-1

August 28, 1959

To: Assistant Director, OCR  
Central Intelligence Agency

Attention: [REDACTED] 25X1A

Subject: Geographic Study of [REDACTED] 25X6

It is understood that [REDACTED] of the Office of 25X1A  
Research and Reports is preparing a geographical analysis of the  
25X6 [REDACTED]. The Department would deeply appreciate  
receiving twelve copies as soon as it is completed.

A study of this nature would be of immediate value to the  
Bureau of Intelligence and Research and of continuing interest to  
other offices of the Department and to the diplomatic and consular  
establishments. Never adequately covered, the subject is of great  
interest.

If completed within the next several months, the report would  
materially assist the Department in discharging its responsibility to 25X6  
report and analyze the effects of [REDACTED] 25X1A  
25X6 [REDACTED] and would supply background needed in connection with the  
Department's NIS commitments. [REDACTED] report would be invaluable,  
for example, in the preparation of Maintenance Section 45-57 (Subversive),  
which has a December deadline.

[REDACTED] 25X1A  
Chief, CIA Liaison Branch  
Division of Intelligence Collection  
and Distribution
